Thanks Steve. I will bring steel toed boots, hard hat, safety glasses and a raincoat. Glad we can meet with Edmund. I will bring my packet to hand deliver to him, since mailing it didn't work.

I am not allergic to cats, so the hotel will be fine. Sounds like a friendly place.

In case there are delays with the airlines and you need to check my flight status, I will be flying in on United flight 5571, direct from Denver.

See you Monday. Thanks for arranging all this.
Brenda

Hi Brenda,

Here is a draft schedule for next week. The weather looks pretty good, although a rain jacket might always be ok.

- Monday Mostly sunny, with a high near 57.
- Monday Night Partly cloudy, with a low around 35.

- Tuesday Mostly sunny, with a high near 59.
- Tuesday Night Partly cloudy, with a low around 37.
- Wednesday Mostly sunny, with a high near 59.

Be sure to bring Steel Toe boots, I could bring an extra hard hat if you need one. Eye protection too I guess, although I usually just wear glasses

I talked to Edmund Baker and he is glad to meet with us later on Monday, May 12.

I reserved rooms in Williston at the Marquis. The staff said it is a good place, but they do have a couple of cats there.

If you are allergic to cats, let me know.

SEE YOU NEXT WEEK.
